Relevant Experience: Freshers and Experienced (2 to 3 years) in teaching or content creation for the EdTech industry.

Location: HiTech City and Koti, Hyderabad.

Number of Openings: 20

Employment Type: Full Time: 9 hrs (35k to 40k per month), Part Time: 4 hrs (20k Per Month)

About Us:

Established in 1979, SIA Group is a leading publishing company known for its excellence in the field. We are pioneers in the publishing and distribution of educational materials across South India. With decades of experience, SIA became one of the finest destinations and a trusted brand for millions of students across India. With a commitment to delivering high-quality content at affordable prices, we have earned the trust of millions of students nationwide.

Job Description:

We are looking for enthusiastic Freshers and experienced professionals to join our team as Educational Content Creators and Live Class Instructors for our EdTech platform. The ideal candidates will be responsible for creating engaging educational videos and delivering live classes to enhance the learning experience of students.

Key Responsibilities:

- Develop high-quality educational videos and e-learning content for assigned subjects.
- Deliver live online classes, ensuring an interactive and engaging learning experience.
- Collaborate with instructional designers and the content team to plan and structure video lessons.
- Stay updated on the latest teaching methodologies and educational technologies.
- Analyze student feedback to improve video content and teaching strategies.
- Participate in curriculum planning and brainstorming sessions to meet the industry standards.

Requirements:

- Excellent presentation and communication skills.
- Strong subject knowledge and expertise in delivering content to varied learning levels.
- Passion for teaching and a creative approach to content development.
- Familiarity with online learning platforms is a plus.

Why Join Us?

- Opportunity to work with a leading Education company.
- Collaborative and innovative work environment.
- Chance to contribute to transforming education using technology.
- If you are passionate about education and have the expertise to create impactful content, we would love to hear from you!

SIA Group is a place for everyone:

At SIA, we believe that we can only succeed if we let our differences enrich our culture. Our SIA come from a variety of backgrounds and experience levels. We consider everyone irrespective of their ethnicity, religion, sexual orientation, gender identity, family or parental status, national origin, veteran, neurodiversity status or disability status. We believe it's what makes us awesome at solving problems! We are One Team and foster a transparent and inclusive environment, where everyone's voice is heard.

Interview process:

- > Record a video byte giving your introduction and speak on your favorite subject/topic/chapter for 1 min. Share this video via email, along with your resume, on careers@siaedugroup.com
- > If shortlisted, you would be required to come for an in-person interview in our office in Hi-Tech City, Hyderabad. You can expect to get a call within 1 week.
